

STORYBOARD FOR "STUDENTS" BUTTON

Clicking on "**Students**" causes the screen to shift to the Second Level Page Layout (see Layouts.doc). This means that other menu items fade out, as does the background image and the "**udents**" portion of "**Students**".

Simultaneously with this fade, the letter "**S**" in "**Students**" enlarges. The "**S**" moves to the upper left of the screen under the logo.

Then, the "**udents**" lettering slides in from the left and "**runs**" THROUGH the "**S**" (like a tunnel) to come out the other side and drop into its usual position to become the header for this section of the site.

Immediately after the header animation, subheadings slide in from left to right, bouncing back slightly left into position.

The graphic / photo will fade in on the right, as will the quote at the bottom of the page.

This is what the "Students" page will look like when the animation has finished.
